IMPACT:

A severe Earthquake of the magnitude of 6.9 at Richter scale occurred at 8.46 A.M. on 26th January,2001 with epicenter at 20 K.M. North-East of Bhuj. Its impact has been felt in various parts of the Country. Gujarat has been affected very severely. As per available information from State Government of Gujarat, the extent of damage is as under: -

S.No.	Gujarat	Number of persons	
		Dead	Injured
1	Ahmedabad	750	4030
2	Anand	01	20
3	Banaskantha	32	2770
4	Bharuch	09	44
5	Bhavanagar	04	44
6	Gandhinagar	07	240
7	Jamnagar	117	4592
8	Junagadh	08	87
9	Kachchh-Bhuj	14912	39765
10	Kheda	00	28
11	Mehsana	00	1139
12	Navsari	17	51
13	Patan	33	1686
14	Porbandar	09	90
15	Rajkot	408	10567
16	Surat	46	157
17	Surendranagar	105	2851
18	Vadodara	01	256
19	Sabarkantha	00	56
20	Amreli	00	05
21	Valsad	00	00
	Total:	16459	68478

EXTENT OF DAMAGE

Population affected	3.78 crores
Houses Damaged	2,28,906 Completely

Estimated loss of Property	3,97,615 Partially Rs. 13,500 Crores
Damage to Private property	Rs. 6000 Crores
Damage to Public property	Rs. 1000 Crores
