JICA' s Approach to DRR

JICA' s Approach to DRR

We highly regard:

- Promotion of the Hyogo Framework for Action
- Community Based Activities
- Integration of DRM into Development Policy
- Gender
- Donor Coordination
- Emerging Threat : Climate Change

JICA' s Approach to DRR

The Forth Pacific Islands Leaders Meeting between Japan and the members of Pacific Islands Forum, Okinawa, Japan (May 26-27, 2006)

Okinawa Partnership for a more robust and prosperous Pacific Region

Security: Cooperation in such areas as disaster mitigation and management, and measures against organized crime

- Assistance through technical cooperation (technical cooperation projects, training courses, and dispatch of experts etc.) based on the "Hyogo Framework of Action 2005-2015"
- Provision of tsunami information through the Northwest Pacific Tsunami Advisory Center of Japan Meteorological Agency

Thank you very much for your attention!
