1. Asian Disaster Reduction Center	3
1.1 Key Activities	3
1.2 Composition.....	3
1.2.1 Member and Advisor Countries	4
1.2.2 Partner Organizations.....	6
2. Highlights of FY2022	9
2.1 Activities in Figures.....	9
2.2 Asian Conference on Disaster Reduction 2022	9
2.2.1 Opening and Keynote Speeches.....	10
2.2.2 Special Session on the Centenary of the Great Kanto Earthquake	11
2.2.3 Session 1: Large Scale Disasters and Countermeasures.....	12
2.2.4 Session 2: Disaster Data Linkage: Application of GLIDE.....	13
2.2.5 Session 3: Provision of Information via Satellite for DM	15
2.2.6 Field Visits	17
2.2.7 Side Event: JIPAD Seminar.....	18
2.3 Report on Türkiye-Syria Earthquakes 2023	18
2.3.1 Issuance of GLIDE numbers	19
2.3.2 Satellite imageries	19
2.3.3 Assessments	19
2.4 Tsunami Seminar 2022	20
2.5 Workshop at the BOSAI KOKUTAI 2022	21
3. Information Sharing on DRR.....	25
3.1 Information Collection.....	25
3.1.1 Country Reports on DRR.....	25
3.1.2 Latest Disaster Information (FY2022)	26
3.1.3 Natural Disaster Databook	28
3.2 Information Dissemination	29
3.2.1 ADRC Highlights.....	29
3.2.2 Data Sharing through GLIDE Number System.....	29
3.2.3 Data Sharing through Sentinel Asia	30
4. Human Resource Development.....	35
4.1 Visiting Researchers Program.....	35
4.1.1 Activities During the Program	35
4.1.2 Research Topics.....	35
4.1.3 Networking of Visiting Researchers	36
4.2 JICA Knowledge Co-creation Program	37
4.2.1 Comprehensive Disaster Risk Reduction for Central and South America	37
4.2.2 Comprehensive Disaster Risk Reduction for African Region	38

4.2.3	Comprehensive DRR for Central Asia and the Caucasus.....	38
4.2.4	Promotion of Mainstreaming Disaster Risk Reduction	39
4.2.5	Comprehensive Disaster Risk Reduction Course	40
4.2.6	Strengthening Disaster Risk Reduction Capacity for Malaysia	40
4.3	Short-Term Programs	41
4.3.1	Internship at ADRC	41
4.3.2	KOBE Global Challenge	41
4.3.3	Try-Yaru	42
5.	Cooperation and Partnerships	45
5.1	Research Cooperation	45
5.1.1	QZSS DC Report Demonstrations.....	45
5.1.2	Climate Change Impact Projection Study.....	45
5.1.3	ERIA Research Project.....	46
5.2	International Engagements and Partnerships	46
5.2.1	APEC-EPWG	46
5.2.2	APRSAF/Sentinel Asia	48
5.2.3	UNDRR/APP-DRR.....	49
5.2.4	ESCAP/WMO: Typhoon Committee	50
5.2.5	Spatial Planning Platform	52
5.2.6	Other International Engagements.....	53
6.	International Recovery Platform	57
6.1	International Recovery Forum 2023	57
6.2	The Fifth Edition of the World Reconstruction Conference (WRC5).....	58
6.3	Contributions to the Mid-Term Review of the Sendai Framework.....	60
6.4	7th National Convention for the Promotion of Disaster Reduction.....	60
7.	Natural Disaster Databook 2022	63
7.1	Natural Disaster Data	64
7.1.1	Global Disaster Data.....	64
7.1.2	Asian Disaster Data	69
7.2	Climate Related Disasters	74
7.2.1	Global trend in climate-related disasters	74
7.2.2	Asian trend in climate-related disasters.....	75
7.3	COVID-19 Data.....	76
7.3.1	Global Situation	76
7.3.2	COVID-19 Situation in ADRC Member Countries	77

Annexes

Annex 1: History of Establishment of ADRC

Annex 2: Overview of International Recovery Platform

Annex 3: Notes on Sources of Data for the Natural Disaster Databook
