

## Online Tsunami Seminar

3-Part Series  
24 November 2020  
22 December 2020  
26 January 2021

### Dr. Khaerunnisa

Head Master of Architecture  
Program

Universitas Atma Jaya Yogyakarta  
(UAJY)

### Profile

Dr. Khaerun Nisa received her Master and Doctoral degree on Sustainable Energy and Environmental Engineering at Osaka University, Japan. She experienced working with International Recovery Platform (IRP) Kobe for five years as Assistant Researcher. She is highly involved as an editor in Guidance Note on recovery series especially in the Livelihood sector. She has personally been researching disaster recovery since 2007, especially on privately and community owned cultural heritage recovery programs in Indonesia.

In 2014, she joined University of Atma Jaya Yogyakarta as a lecturer in the Department of Architecture. Since 2018, she has been elected as the head of the Master of Architecture Program at the same university. She takes a vital role in conceptualizing and organizing national and international events such as Global studies 2018 and 2019, DRR Education workshops, 1st APTIK International Conference on Poverty and Environment, and series of National conferences on Sustainable Culture, Architecture and Nature since 2014 to present.
