- Human lives lost : 19904, Persons Injured : 1.66 lakh, seriously injured: 20717
- Missing persons : 233 in Kachchh
- Cattle deaths reported as 20712.
- Houses Fully Destroyed 1.71 lakh (Pucca), 1.67 lakh (Kachcha) & 0.16 lakh (huts)
- Houses Partially Destroyed 4.88 lakh (Pucca), 3.45 lakh (Kachcha) & 0.34 lakh (huts)

• Damage :

Personal Properties Rs. 387 crore

Household Properties Rs. 11195 crore

Public Utilities Rs. 600 crore

Public Infrastructure & Amenities Rs. 1080 crore

Industrial establishment Rs. 5000 crore

Commercial establishment Rs. 3000 crore

Total estimated loss of damage Rs. 21262 crore

BUDGET 2001-02:

- National Committee on Disaster Management headed by Prime Minister will be making

recommendations for laying down effective long-term strategy on the need to set up permanent institutional arrangements for management of natural disasters.

- National Calamity Contingency Fund (NCCF) is being augmented by imposition of a 2% surcharge on personal income tax and corporate tax.
- Assistance will be provided to the State Government under various Centrally Sponsored Schemes for reconstruction of roads, bridges, power installation, school buildings, public utilities and other public infrastructure.
- Arrangements have been tied up with the World Bank and Asian Development Bank for obtaining a line of credit of US \$ 800 million. A joint team has already visited Gujarat and substantial additional funds expected to be negotiated.
- RBI has instructed banks to make special arrangements for freezing of recovering and extension of new loans on liberal terms for borrowers in the affected areas.
- National Housing Bank and HUDCO set apart adequate funds for housing reconstruction. It is also proposed to allocate a special quota of tax-free bonds of the order of Rs.2000 crores between the two institutions.
- As was done after the Orissa Cyclone, cement and steel used for construction in the Indira Awas Yojana by HUDCO and by agencies identified by the State Government, would be exempt from excise duty.
- Government of Gujarat will be enabled to raise funds by floating tax free earthquake relief bonds which will be open to subscription in Rupees to individuals and others including NRIs through the RBI.
- All goods indented for relief have been excise duty and custom duties; direct tax assesses have been given extension of time for filing their returns.
- 15% special surcharge levied on cigarettes, bidis, and pan masala and the proceeds will go to NCCF.

- 70 countries, 24 other international donors/various international organisations sent rescue teams including sniffer dogs, relief materials and mobile hospitals.
- Hospitals have been set up in Bhachau, Bhuj and Nalia.

RECONSTRUCTION AND MAJOR RELIEF INITIATIVES

1. \$300 Million Assistance announced by the World Bank (WB)
2. \$500 Million Assistance announced by Asian Development Bank (ADB)
3. Japan provides US \$ 2.3 million in addition to already released US \$ 0.7 million to PM's National Relief Fund, which is about 420 million Japanese Yen (about Rs.17 crore) which is additional to their active participation in relief and medical assistance. The cash assistance is in addition to their active manpower assistance through their Disaster Relief Team volunteers.
4. DKK 16,950,000 worth Danish Humanitarian Assistance in kind (from IFRC, DanChur Aid, OCHA, EMOGC, Caritas)
5. European Parliament passed a resolution to express its deepest sorrow and regret to the Indian people and Government for this enormous natural disaster. Commission has already granted 13 million Euro for humanitarian assistance for the victims of the earthquake. Congratulated the Indian and the State Governments on their rapid mobilisation of the emergency aid effort.
6. USAID /OFDA provided \$852,403 on 5th February to World vision to provide three months of emergency aid to the worst affected populations of Gujarat. On 3rd February \$400,000 to the UNDP for immediate distribution of food, shelter material, water etc. Also extended financial assistance to CARE, CRS & FFP for their services to earthquake affected people. Provided an initial \$100,000 disaster assistance through USAID, New Delhi to PM's National Relief Fund.
7. CARE committed upto US \$ 3.5 million relief assistance. CARE, Canada & Norway arrived in Bhuj with 2650 tents each accommodating 6-8 persons. 40 persons relief team engaged in relief work. FICCI-CARE alliance formed for Gujarat Rehabilitation Project to provide immediately temporary shelter, water/sanitation/electricity, quake resistant housing, construction of permanent social infrastructure (schools, clinics, anganwadi, tube wells), help to small business establishments and craftsmen. A proposal for reconstruction / rehabilitation of 25 identified villages submitted to State Government. More villages are under identification to reach the initial target of 10,000 homes.
8. World Food Programme (WFP) to support the relief operation with food and other assistance valued at USD 4,157,579 over a period of 4 months from 5th February to

June 2001 to assist 3 lakh people, mostly women and children. 634 MTs of biscuits for distribution in Gujarat through ICDS, the district collector, SEWA, CRS, the Salvation Army and Mahila Vikas Sangathan.

Established a UN Joint logistical Cell (UNJLC) in Bhuj to provide logistical and coordination support for both the UN system and the Government. Also coordinated other international organisations.

9. CII, FICCI and ASSOCHAM decided to adopt large clusters of villages for relief and reconstruction.

10. State Governments and Major PSUs of the Government of India have also decided to adopt groups of villages for relief and reconstruction.

11. Reliance Group has adopted Anjar Town. VHP set up 9 relief camps and put up 15000 volunteers and 3000 full time workers in relief work. Distributed 850-truck load of relief materials, 1.15 lakh blankets, 4660 tents, 74,944 tarpaulins, food grains, and medicines. Also proposed setting up of orphanage, old age home and village reconstruction.

12. State Government drawn detailed rehabilitation packages with the objectives of social, cultural and economic resettlement with equity. Community participation in the rehabilitation and resettlement programme. Upgradation of quality of life using the challenge as an opportunity.
