The Transport Co.Ltd.

Flood affected provinces caused impassable routes in Phitsanuloke, Pichit, Nakhon Sawan, Uthai Thani, Lopburi, Singburi, Phra Nakorn Si Ayutthaya, Pathumthani and Nonthaburi Province.

Southern Routes – Southern Bus Terminal has moved to to Holland Beer Garden on Rama 2 road.

For more information, contact 24 hr. Hotline 1490.

1.4 Important Assistance Provision

1.4.1 **The Military** mobilized a wide range of resources to the flood affected areas, including immediate relief provision; search and rescue operation, medical care service provision; preparation of sandbags; propelling of water into the sea especially in the Bangkok and nearby areas such as Chacheongsao and Nakhon Pathom; preparation of aircrafts and vehicles for relief items and evacuees transportation, and public notification; and excavation of all rivers and canals to accelerate the water drainage. The Military also constructed levy sandbags and secure the levies at many critical areas such as Water Supply Canal, Khlong Hok Wa Taweewattana Canal, Phutthamonthon Road sai 2-4. In addition, they supported boats to push out water at several important canals and river such as Pra Ong Chaiyanuchit Canal in Chacheongsao Province, Premprachakorn Canal, Bua Canal, San Sab Canal, Lad Praw Canal and Mahanak Canal in BMA. They provided aircrafts to support satellite images production in the areas of Vibhavadee Rangsit road, Don Mueang Airport, Phaholyothin road, Local Roads and Tha Chine River Estuary.
1. CURRENT SITUATION (CONT)

1.4.2 Nation Public Relations Department broadcasted public early warning messages and summarized FROC’s activities, televised live programme of flood assistance throughout all National Radio and TV channel 11 stations include victim stress relief programmes and disseminate evacuation warning messages. All concerned agencies could support information to e-mail address: IOCPRD@hotmail.com and IOCPRD@gmail.com at the FROC Public Relation Office at 1st Floor, Energy Complex, Ministry of Energy.

1.4.3 Ministry of Interior

Department of Disaster Prevention and Mitigation assigned Deputy Director General (Mr. Prateep Kiratirheka) to run the joint mission for sand bags production by mobilizing manpower from DDPM Emergency Response Team (ERT) together with DDPM officials and Territorial Defence volunteers to safeguard the area at all time. On 5 Nov 2011, DDPM and volunteer is expecting to finish production of 500,000 sandbags and 3,500 big sand bags in order to support BMA and Metropolitan Waterworks Authority (MWA) flood fighting at Pratunam Pa In (Pa In Watergate), the Water Supply System of MWA and Sam Wa Canal. For more information contact 1784.

The Department of Provincial Administration received 15,501 petitions from 17 provinces and 15,286 of which have already been solved since 9 October to 4 November 2011. They also dispatched a cadre of the Territorial Defence Volunteers from the non-flood affected province to help flood victims in 6 provinces (Phra Nakhon Si Ayutthaya, Nakhon Sawan, Ang Thong, Pathumthani, Nonthaburi and Nakhon Pathom) and FROC’s activities.

1.4.4 Ministry of Natural Resources and Environment

Department of Water Resources supported 50 water pumps to drainage water from BMA.

Department of National Parks, Widlife and Plant Conservation: dispatched 200 manpower for sand bag levy construction.
