

Fig. 1-2-1 Member Countries and Advisor Countries

### 1-3. Main Activities

ADRC engages in the following basic activities:

#### Information Sharing

- Provision of disaster information through its website
- Promotion of Global unique disaster IDentifier (GLIDE) number system
- Organization of international meetings including Asian Disaster Reduction Conference (ACDR)
- Acting as the hub for using satellite imagery information for DRR

#### Human Resource Development

- Organization of seminars, workshops and training on disaster risk reduction
- Hosting of Visiting Researchers (VRs) from member countries

#### Building Community Capabilities

- Development and distribution of tools for encouraging community involvement
- Assistance to the activities of the Asian Disaster Reduction and Response Network (ADRRN)
